

## *What We Do*

Professional Design  
Design & Build Consultation  
On-site Construction & Installations

## *Remodels*

New kitchen or bath?  
Living space in your basement?  
Redesign the entire layout or  
It's up to you!

## *Additions*

Starting in the attic or on the  
ground, we can design more dream  
space for your home

## How We Do It

### *Step 1: Call*

We begin collecting information about your project from the first call. Then we can set up a Complimentary and Professional Consultation in your home.

### *Step 2: Design Phase*

Together we create a plan for your dream space

### *Step 3: Build Phase*

Once we've helped you select everything from the layout of your space to the finish items that will be installed the on-site work can begin.

### *Step 4: The Build Process*

We strive to keep your home as clean as possible during the work process, performing a rough clean to all project areas at the end of each day Project communication occurs regularly to ensure continued work flow

*making home your  
favorite  
place to be*

*Additional Space*

*Updated bathroom*

*Functional kitchen layout*

*Current design*

*Top quality cabinetry*

At Moore Home Remodeling our goal is to help you realize your dream. We are a family owned business serving the Greater Cleveland Area for nearly 10 years. We pride ourselves in providing our clients with ideas, information and solutions.

We use the latest design software to give you a visual of your dream before we remove even one screw. With our simplified process for completing each project, coupled with our customer's involvement, we take the fear out of your remodeling project for any room in your home.

As a family owned business, we believe strongly in staying connected with our clients. You will have access not only to the onsite installers and project manager, but to Brent Moore, the owner, as well. If any concerns arise during the remodel process, you can rest assured that we will listen and act. All projects are done right per the plans and contract set forth in the design and planning phase.

Your remodeling project does not have to be stressful. We work hard to help keep the stress out and the quality and service in. Whether you'd like to remodel your kitchen, bath or basement, we work to help you solve your design dilemmas. We can even work with a design idea you already have. We believe we are changing the way our clients feel about remodeling, one project at a time.

So give us a call when you're ready to realize your dream living space.
